Write-In Candidates—How to

Luzerne County uses a voting machine called an iVotronic. Once the polling assistant gives you your instructions and you begin, you will see choices for Wilkes-Barre Area School Board. First press the boxes with the names of Terry Schiowitz; Beth Ann Owens Harris; and Robin Shudak. Then, for the two SOS write-in candidates using this simple process. Start write-ins by pressing a box in the WBASD section that says write-in

A typewriter keyboard appears on the screen. These two write-in candidates are endorsed by Save our Schools. – Debra Formola, and Jody Busch. Use the screen as a typewriter and type in the name of the first write-in candidate.

If your first candidate were *cookie* as above, you would be finished typing for now. Your next step would be to accept what you typed by pressing the Accept button shown below

The machine will then come back and show the next candidate write-in button as above. Repeat the process the same way as you did for the first candidate. Type in the name of the second candidate. Finish by pressing the Accept button. The voting machine then brings you back to where you began the write-in process. From here, you may then finish voting for the rest of the candidates as you would have done if there were no write-ins.

That's all there is to the write-in process.
